

PROSPECTING PACKAGE

These items have been created to help our dealers market their printing products to their customers, either brand new, dormant or existing ones.

PROSPECT BROCHURE 8" x 8.5"

This is a personalized informational piece about the products they offer. It is simple enough to give to prospect customers without overwhelming them with complex information. It's also perfect to hand out in situations when they only have a moment to introduce themselves and leave something with the customer.

POSTCARD 5" x 7"

Designed to quickly grab the attention of a prospective customer, whether the dealer drops it off in person or sends in the mail!

LABELS 2" x 1"

This label is a really simple and quick way to promote other products, as well as labels.
